- The easiest way to find a range of resources is to search: **"US Air Force OCP utility uniform"**. There are a few online stores that carry youth sizes, but so far, Vanguard may be your best bet.
- Skyhawk will be actively looking for OCP donations but building this supply will take time.
- Vanguard’s Facebook page offers a monthly online code.
- Once a cadet receives his or her first promotion to Airman, they may receive a Curry Voucher to use on purchases at Vanguard. This should arrive in your email shortly after the promotion is approved.
