New Cadet Guide

You've attended (3) CAP Activities, met with the Squadron Commander, and completed the US citizenship check. What's next?

1. With a parent, enroll as a cadet online using this link:

   www.capnhq.gov/CAP.MembershipSystem.Web/CadetOnlineApp.aspx

2. CAP will send a CAP ID and an eServices link through the Cadet's email. Set up your account right away! Complete **Cadet Welcome Course**.
3. National Headquarters will send a Welcome Kit within 7-10 days. This information will be necessary for testing and learning customs and courtesies (uniform etiquette, saluting, etc). *All materials are available online for immediate use:*

   www.gocivilairpatrol.com/programs/cadets/library

4. Start working on Achievement 1. Go to **eServices** > Menu > Online Learning > ABSORB LMS. (Learn to Lead can be found online in the cadet library.)
   - **Learn to Lead Ch 1**: complete the interactive module OR the test module
     *complete both to earn an honor credit
   - Drill Test (must request ahead of time via the google form, link below)
   - Attend a PT Night (Physical Training)
   - Attend a CDI Night (Character Development)
5. Once the requirements for Achievement 1 are complete, submit your Final Four request by filling out the Skyhawk Call-Down link (below). This link will also be emailed by your Flight Sgt in the Weekly Call-Down. *The deadline for a Monday request is the previous Sunday night.*

   ***For questions, use the chain of command: Flight Sergeant**

   - **https://skyhawk-cap.org/calldown**
   - Note: Each promotion requires a Final Four (or Promotion Board). Part of the Final Four requires the cadet to recite the oath and pass a uniform inspection.
6. When Achievement 1 (Curry Award) is achieved: *Congratulations on the rank of C/Amn!* Once the promotion is approved on eServices, eligible Cadets will receive a Curry voucher to use at **vanguardmil.com** towards the purchase of a CAP uniform.
   - Before placing an order, be sure to check with the SM Supply Officer for help looking through Skyhawk's donation closet (an ever-changing supply located at Brandt Airport). Can also check Ebay and retailers like Amazon/Walmart for boots, socks, athletic wear, etc. **Be aware of the new OCP uniform option.**
   - See uniform check list before ordering. Uniforms must be complete before wearing. Cadets will eventually want (2) sets of ABU trousers/blouse for encampment. Check with Skyhawk's Supply NCO for pins/patches.
7. There is an 8 week (56 days) time in-grade requirement. However, working ahead is allowed and encouraged. See your Cadet Tracker OR go to eServices > My Account > **Cadet Promotions Track Report** for a list of requirements for Achievement 2.
8. ADDITIONAL RESOURCES:
   - Skyhawk Website: **https://skyhawk-cap.org/member**
   - MN Wing: **www.mnwg.cap.gov**
   - Drill Tips: See drill manual **CAPP60-33**, explore YouTube or talk to your Flight Sergeant for additional help.

TIPS

Look for the Squadron Commander's **Weekly Update** in your email
